**SPORTSART FITNESS AWARDED GREAT GEAR OF THE YEAR**  
**Two SportsArt Fitness' products were recognized by ShapeYou.com**

**Woodinville, WA (December, 2009)** SportsArt Fitness, an industry leader in the design, development and manufacture of premium quality residential and commercial fitness equipment, is pleased to announce that two of their products have received Great Gear of the Year Awards from ShapeYou.com.

The SportsArt Fitness A93 Functional Trainer and the XT50 XTrainer were both chosen to receive the award. ShapeYou.com is an online fitness, nutrition and wellness resource that brings together a panel of judges made up of trainers, coaches, competitors, nutritionists, health care practitioners, industry writers, gym owners and sports, health & fitness retailers to recognize exceptional products each year.

SportsArt Fitness has received Top Gear, Great Gear and Seal of Excellence distinctions for many of their cardio and strength products over the past three years.

"We are very excited to receive this distinction from ShapeYou.com," Ken Carpenter, Director of Sales said. "We pride ourselves on creating user-friendly products with innovative design features that stand apart from the competition."

**About SportsArt Fitness**

SportsArt Fitness is an industry leader in the design and manufacture of high quality cardiovascular and strength equipment for home and commercial use. SportsArt retains control over every aspect of component design and the overall manufacturing process ensuring proper integration, maximum performance and longer product life.
